

BX/FMC 90° CONNECTOR

ANGLE SQUEEZE – ZINC DIE CAST

Description:

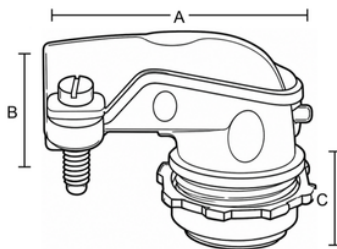

An angle squeeze-type connector designed to secure flexible metal conduit (FMC) or, where specifically identified by the product listing, steel Type AC armored cable to a steel box or metal enclosure in dry locations.

- **Material:** Zinc Die-Cast
- **Type:** Angle Squeeze Connector
- **Conduit:** FMC / Compatible AC cable
- **Application:** FMC or compatible cable to enclosure

VELKOR TIP | Even Clamp Pressure

Seat the conduit squarely and tighten the squeeze screw without deforming the jacket.

Use only with conduit or cable types and outside-diameter ranges covered by the product listing.

VELKOR ITEM NO.	SIZE	A (in.)	B (Range)	C (in.)
101	1/2"	2.110	.64-1.03	0.400
102	3/4"	2.400	.76-1.15	0.400
103	1"	2.870	1.09-1.73	0.540
104	1-1/4"	4.000	1.34-1.97	0.640
105	1-1/2"	6.000	1.65-2.61	0.750
106	2"	6.000	1.54-2.54	0.740
107	2-1/2"	7.187	2.45-2.98	0.875
108	3"	7.875	2.93-3.45	1.030
110	4"	10.20	3.68-4.43	1.030

A: Horizontal projection; B: Accepted conduit/cable O.D. range
C: Male thread length (in.)
